

Because of Table 7 Bistro's location within the Club Quarters Hotel, we are proud to offer private accommodations for groups of nearly any size. Club Quarters' Board Room offers comfortable seating for up to 10 around a large table - the perfect setting for a small business meeting or intimate dinner. The Fannin room is considerably larger, with seating for up to 40. Finally, the Rusk room offers an intermediate option, with seating for up to 25. Because the Fannin and Rusk rooms are separated by a collapsible wall, Table 7 Bistro can offer space for upwards of 70 people.

The room fees are as follows:

Board Room (10 ppl)

Half Day \$150 without food and beverage service

Full Day \$250 without food and beverage service

Fannin Room (40 ppl)
