Who the Hell is Pete?

That's a good question. Well, Pete is many things. Pete is the piano players. Pete is the door staff, wait staff, and bartenders. Pete is Austin's hardwood floors. Pete is the energy bristling in each of our locations. But most importantly, Pete is you. Yeah, you. At Pete's Piano Bar, you are the entertainment. It's your singing, laughing, clapping and dancing that causes an infectious excitement inside everyone each night. This is what keeps you coming back time and again for more celebration. That is Pete.

Pete's Dueling Piano Bar is known for singing loud and proud across the great state of Texas. What you may not know is that at its inception in 1992, it wasn't dueling at all. Pete's began on Austin's historic 6th Street as a one man show, spearheaded by Steve Green going by the name of Pete's Peanut Bar & Piano Emporium. The show's popularity helped the bar grow for 6 strong years, at which we decided we needed a duel!

EVENTS

Host your next event at Pete's Dueling Piano Bar, Texas' Original Dueling Piano Bar. The venue can accommodate from 80 to 1000 guests. We attribute our success to 24 years of experience performing across the great state of Texas. Our entertainers are hand selected and create a show that is not only professional, but they will leave you wanting more. We not only offer a great venue for birthdays, bachelorette parties, but we offer private events for corporations, weddings, colleges, charities and military markets. We can also come to you, if you have a large event and want a fantastic show, Pete's can do it. We are clearly the best choice for an all-inclusive, one of a kind entertainment.
