What is 8th Wonder all about? Gr8 beer! We are dedicated to brewing fresh, flavorful ales, and we're excited to be a part of the local beerscape.

In 1965, the doors to the Houston Astrodome opened for the first time. Dubbed the "Eighth Wonder of the World", this first ever domed stadium coincided with Houston's launch into the global spotlight. We are proud to announce that Houston is home to yet another 8th Wonder.

We are applying our craft in a dome-like warehouse located in the shadow of the Houston skyline in East Downtown. Using only the freshest ingredients of the highest quality, each batch of beer we brew undergoes strict flavor analysis and quality control.

Only blocks away from the professional baseball, basketball, and soccer stadiums, 8th Wonder is the craft beer for the home team. Swing by the taproom before a game, and get some of the freshest, tastiest beer in town.
